Name of teacher

The Jane Goodall Institute will receive information from the above named teacher concerning the Roots & Shoots Awards 2007. This will include the names of pupils involved in the projects and a description of activities undertaken.

This information will not be released to any third party by the Jane Goodall Institute and the protection of participants is a priority in all matters and at all times.

Opportunities may arise for publicity to be given to the above named school as a result of involvement in Roots & Shoots. The Jane Goodall Institute will seek permission from the school before making any contact to the media or other third party. The Jane Goodall Institute will also seek permission prior to including specific details of any school on their website.

The Jane Goodall Institute seeks to compile a record of the voluntary projects undertaken by schools as part of the Roots & Shoots programme across the UK. The objective of this data collection is to establish the quantity and nature of voluntary work undertaken by school-aged children. Consent is sought for the data from the above named school to be included.

I consent for the Jane Goodall Institute to include the above named school in the Roots & Shoots record of schools. This record will include the name of the school and a description of the activities undertaken by pupil volunteers. It will not contain the names of the individual volunteers.
